

Independent Mental Health Act Advocacy (IMHA)

Are you detained under the
Mental Health Act? You are
entitled to an advocate.

An IMHA can support you if you are detained under the Mental Health Act.

What can an IMHA do?

Help you get an understanding of what is going on when it comes to your treatment, legislation and upholding your rights.

We support you

We help you access the support and service you need when it comes to your care and treatment.
